Privacy policy
enderchest.uk

The document has been written in simple language to make it easier to understand.

In accordance with article 13(1) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (hereinafter: the GDPR), we inform that:

The administrator of your personal data is InterScript placed in Chmielna 2/31, 00-020, Warsaw, Poland.. In matters related to your data, please contact the Data Protection Officer by email contact@enderchest.global.

We have limited the amount of data collection to the absolute minimum necessary to provide services. The data we collect are:
1. Email address provided during registration. It is used to login to the account.
2. Password provided during registration (or updated in the account options). It is used to log into the account.
3. IP address

The above data are not shared by us with other entities, especially for payment purposes. The email address provided during registration is used by us to send mailing about new products and / or promotions, but only to customers who have confirmed their willingness to receive such emails during registration or in account settings.

We store data for as long as it is necessary to perform the services and required by applicable law.

You have the right to change or delete the above mentioned personal data, but you must remember that deleting this data is tantamount to discontinuation / resignation from using our services, because without these data it is not possible to provide services. In this case please contact our Customer Service Office (support@enderchest.global).
